PK3208H34P	Piston Kit .040
MCIF3204H	Inframe Kit 18.2:1
MCOH3204H	Out of Frame Kit 18.2:1
MCIF3208H	Inframe Kit 18.2:1
MCOH3208H	Out of Frame Kit 18.2:1

16.5:1 Compression Ratio

PK3208T3SP	Piston Kit Std.
PK3208T32P	Piston Kit .020
PK3208T34P	Piston Kit .040
MCIF3204T	Inframe Kit 16.5:1
MCOH3204T	Out of Frame Kit 16.5:1
MCIF3208T	Inframe Kit 16.5:1
MCOH3208T	Out of Frame Kit 16.5:1

Expanded oversize liner coverage for Cummins® KT19 engines.

The oversize liner kits listed below are available from Interstate-McBee. The liners contained in these liner kits feature the current upper crevice seal design. The upper crevice seal improves upper liner sealing and reduces liner vibration. These liner kits will greatly reduce the necessity for costly cylinder block replacement. Contact the parts professionals at Interstate McBee for further information.

LINER KIT	UPF / LPF
M-4024767	STD / STD
M-4024768	.020" / STD
M-4024769	.040" / STD
